## Important information:

- For a correct functioning of the AOECS' database, **please do not use commas** in any of the information included in the file. You can use instead: "-", "/", etc.
- Do not include information in cells "E" and "J". They are filled automatically based on information provided.
- Cell "D": if the product contains Oats as an ingredient, please indicate it using the drop-down list in column D. If not, leave it in blank.
- Licence Number and Product Number are made of three digits each. Please do not add any more characters or digits.
- \*If the unit used does not appear in the scroll-down menu, please indicate the unit manually.
